Rinka Chung Architecture (RCA) 以其独特、功能强大、时尚、现代的设计，成为密尔沃基的一个图标。走在密尔沃基，你会看到 RCA 的设计比比皆是。从 **Moderne**——密尔沃基最新的豪华高层公寓大楼，到著名的比萨人餐厅，以及一系列抢眼的外观设计，RCA 成为近年来在密尔沃基留下印记的建筑事务所中的佼佼者。

RCA 与蓝带管理基金合作的帕布斯特专业中心，是密尔沃基市中心近十年来的第一栋新写字楼。该中心设计现代，但它在材料和视觉上仍与原址上的帕布斯特酒厂交相辉映。这些衬托出密尔瓦基传统的视觉线索，帮助 RCA 发展出自己的风格，同时增强了城市的个性和人们在社区的真实感觉。

Rinka Chung Architecture is a Milwaukee icon. Rinka Chung has become known for its unique, highly functional, sleek and modern designs. Explore Milwaukee and you will see Rinka Chung designs abound. From The Moderne, Milwaukee's newest luxury highrise apartment building, to the famous Pizza Man restaurant, and a number of eye-catching designs in-between, Rinka Chung has put its stamp on Milwaukee like no other architecture firm in recent years.

Rinka Chung has teamed up with Blue Ribbon Management on one project, the Pabst Professional Center. The Pabst Professional Center is Downtown Milwaukee's first new office construction in over 10 years. The Pabst Professional Center is a modern design yet it incorporates materials and visual imagery hearkening back to the Milwaukee of old, especially of the former Pabst Brewery on which the building is located. These visual cues that honor the traditions of Milwaukee help Rinka Chung to develop its own style to each of its designs, yet still add to the character of the city and a true feeling of community.
